Dear Dr. Lederberg:

If you have any extra reprints available of your fine review, "Problems in Microbial Genetics", which appeared in Heredity, Vol. 2, page 145, 1948, I would appreciate it if you would send me a copy. I shall be glad to pay for this if you will let me know how much it is. I realize that reprints of this size run into considerable sums in the aggregate and would be happy to defray my share of the cost.

With best regards,

  
Stewart A. Koser *R.S.*
